

## 盐湖城驾照攻略之二---Road Test

1 首先把Driver License Handbook里面关于Road Test 的条款贴出来。

The examiner may require you to demonstrate your driving ability. If so, you must provide the vehicle to be used. It must be properly registered and comply with vehicle safety laws, including functioning safety belts. The vehicle may be rejected if its condition could cause harm to the examiner's person or clothes. The license applicant and the examiner are the only occupants allowed in the vehicle during the road test.

In addition to road rules and regulations, you will be judged on the use of proper driving techniques and other important elements of safe driving, such as your general behavior and attitude. During the road test, you will not be asked to do anything that is against the law. The following is a partial list on which you may be judged during the test:

• Driving posture • Observance of traffic signs and signals • Left and right lanes • Proper use of lanes • Backing • Starting and stopping • U-turns • Attention at intersections • Steering • Parking on hills and between vehicles • Coordination • Three point turn • Parallel parking

If you fail the road test, you will be expected to practice before taking another test. You may only take one road test in a day and may have to wait several days or weeks before attempting additional tests. The failure to pass the required tests in three attempts will result in having to pay another fee (two attempts for CDL). All tests must be completed within six months from the day you pay your fee. Any person may be asked to complete a road test if the examiner feels the applicant's ability to drive may be in question. Those applying for CDL must take a road test in the type of vehicle they will be driving. The CDL road test is a thorough test given by appointment. Please call your local office for further information.

2 说说 Road Test 的程序

- 1) 首先带上你的国内驾照, Temporary Operator 和你准备用来路考的 car insurance 和 car registration 的在 counter 1 check in。
- 2) 把车开到 road test area, remain in your car and waiting the road test examiner。
- 3) 然后按照考官的要求驾驶就是, 特别注意的是: 其一, 当 stop sign 的时候最好停够 3 秒, 尽管 handbook 的要求是 2 秒; 其二, fair park 门口的那条大道有个 school zone, the speed is 20 miles permitted when the flashing; 其三, change line, parallel parking, backing 等情况的时候一定要注意 head check、back check; 其四, 速度一定要控制好, 不要超速也注意速度不要太慢, 因为有个 21 分的罚分项目 Obstructs traffic。
- 4) 路考通过后在 counter 12 再次 check in, 有照相等环节。完成后大概 3 个礼拜后会受到 driver license 的 hard copy。
